**MOTION FOR LEAVE TO DISPENSE WITH  
PREPARATION OF A JOINT APPENDIX**

Pursuant to Supreme Court Rule 26.8, Petitioner respectfully seeks leave to dispense with the requirement of a joint appendix in this case. I am authorized to state that counsel for Respondent agrees that a joint appendix is not necessary and concurs in the filing of this motion.

The opinions of the lower courts are appended to the petition for a writ of certiorari and relevant statutory provisions are reproduced in the petition. The parties agree that no other portion of the record merits special attention such as would warrant the preparation and expense of a joint appendix, and that preparation of a joint appendix would not materially assist the Court in its consideration of the case.

For the foregoing reasons, the motion to dispense with the preparation of a joint appendix should be granted.

Respectfully submitted,

/s/ Shay Dvoretzky
